Summary

Internal planning and mapping

Description

Zoning - unincorporated Seminole County. Zoning designations indicate the permissible development type for a particular area. Descriptions of the current zoning designations are available [online](#).

The zoning layer provides graphical representations of permitted boundaries. Please note, the boundaries depicted are not survey accurate and are subject to change as parcel lines shift. Refer to the legal descriptions provided in the Ordinances to determine the exact extent of zoning boundaries. Ordinance legal descriptions have been provided by their respective permittees.
