

Meeting Venues

File Geodatabase Feature Class

Tags

Seminole County, events, tourism, meeting locations, meeting venues

Summary

This layer documents meeting venue locations in Seminole County.

Description

This layer documents the locations of meeting venues within Seminole County. Tabular information on building size and location, number of meeting rooms, maximum capacity, facility URLs, and contact information are also provided. These data are used for event management, tourism, and emergency planning purposes, and they are updated annually prior to the onset of hurricane season (June 1).
