

## PUBLIC MEETING NOTICE

August 24, 2022 from 6:15 – 7:30 p.m.

### Whitcomb Drive Road & Drainage Improvements

CIP No. 02107099

#### Commissioner District 2

**Overview** – Whitcomb Drive from Lake Harney Road to south of Crossover Lane, approximately 0.8 miles, has experienced chronic and prolonged flooding resulting from high lake stages and drainage deficiencies along the road. As part of the Lake Harney Basin – Watershed Flood Resiliency Plan (Geosyntec, April 2021), a road and drainage improvement concept was developed that included raising Whitcomb Drive approximately up to two (2) feet (EL 9.1 FT NGVD) along with associated drainage improvements.

Design and permitting efforts are underway to implement the improvements with 60% Plans completed.
