Robin Butler called the meeting to order at 8:35 a. m. The minutes from our January 22, 2008 meeting were approved as submitted.

**OLD BUSINESS:**

Dom Carbonaro, Altamonte Springs P. D. reported on the Coppers and Choppers Event, which took place Saturday, February 9 at Crane Roost in Altamonte Springs. Dom advised the Police Motorcycle demonstration was very successful.

Lt. Kelting reported the Aggressive Driving Operation that was held on February 12, 2008 was successful. Law Enforcement representatives from Altamonte Springs, Casselberry, Longwood, Oviedo, Winter Springs and the Seminole County Sheriff's Office participated. There was 1 arrest and approximately 111 citations issued.

Bike Week for 2008 will be February 29 through March 9, 2008. Sgt. Pete Brenenstuhl advised that posters have been distributed to business's that cater to bikers. There will be aggressive driving operations held during Bike Week. In interested in participating, please contact Sgt. Pete Brenenstuhl for further information.

Casselberry P.D. will host the Memorial Day Wolf Pack Operation. The operation will be held sometime within May 23-26. Additional details will be available at future CTST meetings.

The Roadway Assessment Team will meet Monday March 3, 2008 at 8:30 a.m. on the corner of Greenwood Blvd and Lake Emma in the parking lot of Jax 5<sup>th</sup> Ave. restaurant

### **NEW BUSINESS:**

Robin Butler gave an update of the Driver Education Pilot program currently held at Lyman and Winter Springs High Schools. 422 students have participated in the program and of the 422, 34 have received at least one citation at some point in their driving career. It is undetermined at this time if the program will continue due to cost restraints. If anyone is interested in being an Instructor for the program please contact Mary Lane @ 407/320-0192.

### **PROBLEMS AND SOLUTIONS:**

All problems and solutions were reviewed(see attached).

### **FATALITIES TO DATE:**

To date there have been 4 traffic fatalities in Seminole County since January 1, 2008. A brief review was provided, however each of the fatalities were a direct result of driver error.
