

COMMUNITY WORKSHOP #3

E. LAKE MARY
BLVD.

●
SMALL AREA STUDY

Workshop Agenda

The workshop will be an "open house" format. Stop by at your convenience to talk with Seminole County Planning Dept. staff and the consultant, review and comment on the draft recommendations, take a short survey about the project priorities, and let us know any other things we should consider as we finalize the land use and transportation strategies to guide future development in the study area.

If you cannot attend the workshop, materials from the meeting, including a link to the survey, will be available on the County's web site at www.seminolecountyfl.gov

We look forward to your participation. Thank you.

August 5, 2021

6:30p – 8:30p

Meeting Location:

Seminole Co. BCC Chambers

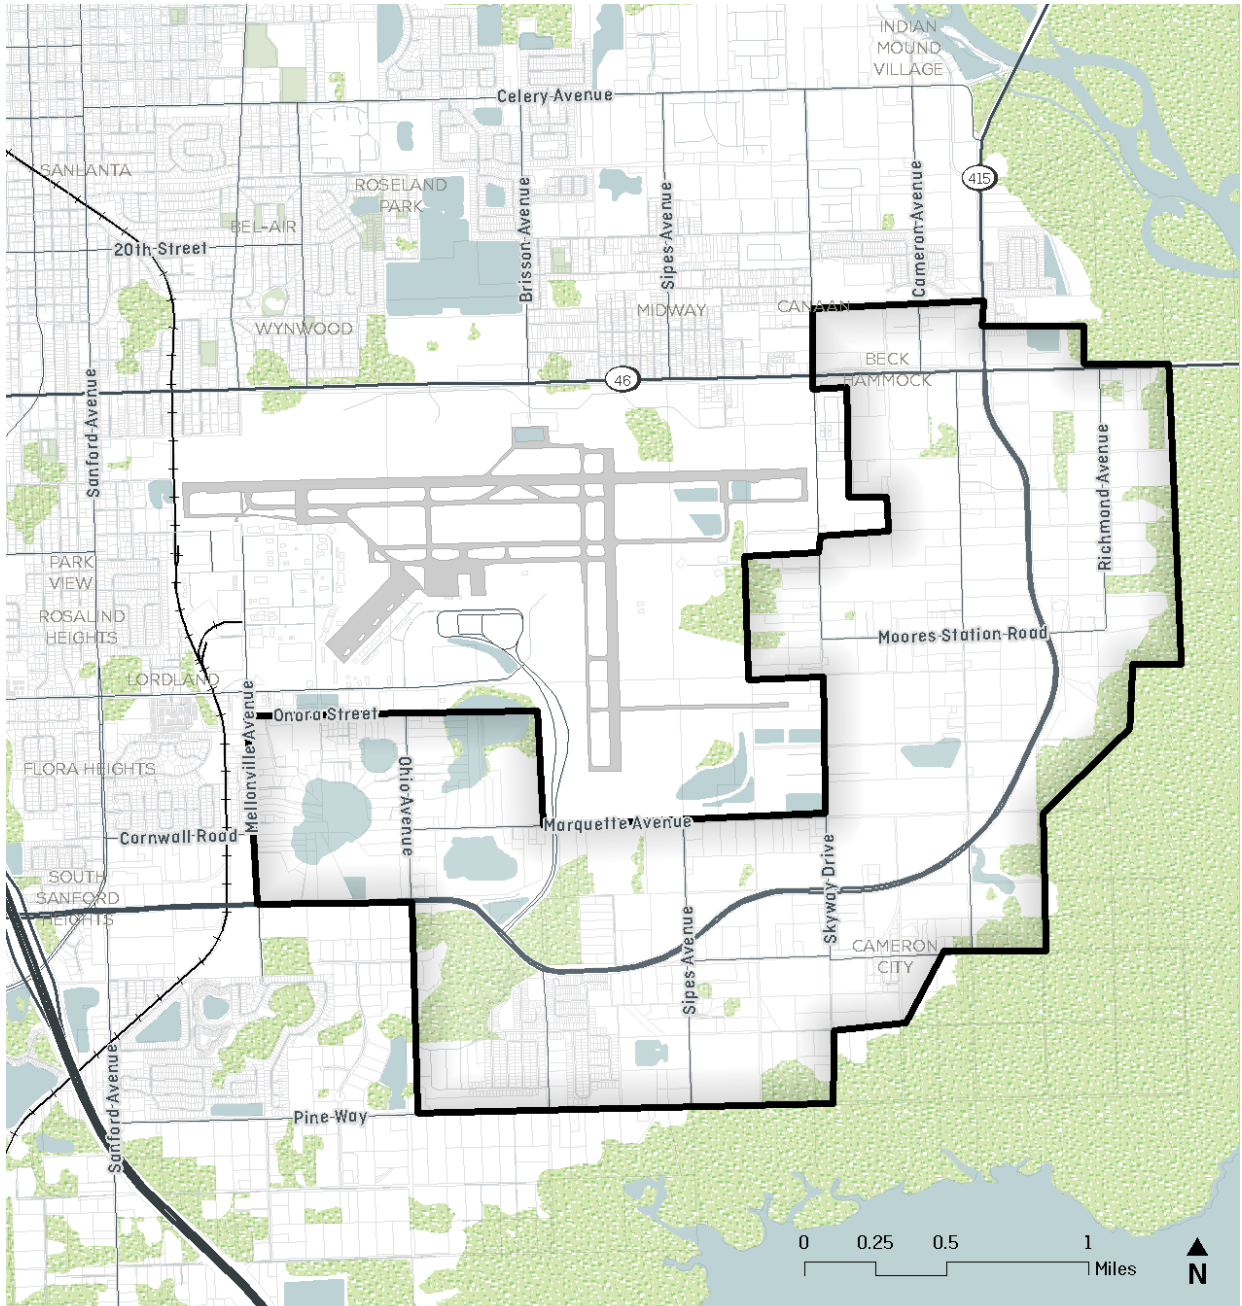

1101 E. 1st Street Sanford
