### Slavia Road Widening Design From Red Bug Lake Road to Aloma Avenue (S.R. 426)

Capital Improvement Project #01785146

**Seminole County has postponed the public information meeting on Thursday, March 30, until Tuesday, April 18, at 6 p.m.** The meeting will address plans to widen Slavia Road from Red Bug Lake Road to Aloma Avenue (S.R. 426). The public meeting is being held to update the community on the progress of design plans and answer questions.

The project proposes to widen Slavia Road to provide two travel lanes in each direction with a 10-foot-wide multi-use path on the north side of the road and a 5-foot-wide sidewalk on the south side. The design follows the preferred alternative approved by the Seminole County Board of County Commissioners in December 2020.

The meeting will be held in a hybrid format to allow interested persons the opportunity to attend in person or virtually over the internet. In both formats, attendees will have an opportunity to view a project presentation, speak with project team members, ask questions, and provide comments. Information about the project is also available on the Seminole County website at [www.seminolecountyfl.gov/slaviaroad](http://www.seminolecountyfl.gov/slaviaroad). Ways to participate include:

- **In-person Open House:** Participants may attend in person anytime between 6 p.m. and 7:30 p.m. at the Oviedo Mall Community Room, 1700 Oviedo Mall Boulevard, Oviedo, FL 32765.
- **Virtual Meeting:** Participants may join online from their computer, tablet or mobile device. For this option, registration is required by going to: <http://bit.ly/3JYdo5f>. Once registered, you will receive an email with a link to join the meeting.

Comments for this project will be accepted during the public meeting, as well as through the project website using the online comment form.
