

## **Flagler Trail Scope of Services**

This scope of services is based upon the Seminole County Trails Master Plan completed by S&ME in 2021. This scope includes professional services for civil engineering, landscape architecture, electrical engineering, irrigation, survey, environmental graphics and wayfinding, environmental services, and permitting coordination. The specific tasks included in this scope are outlined below.

### **Trail Corridor**

1. Geneva Improvements to include paving of the trail
2. Completing the gap on 426 with a paved trail
3. Design multiple trail access points on Snow Hill Road
4. Chuluota Improvements to include paving of the trail
5. Realign main corridor to connect to future Orange County trail on 419

### **Trailheads** (To include paring, seating, and way finding)

6. Develop at Lake Catherine
7. Develop at Lake Mills Park
8. Enhance Geneva Wilderness Area with facilities
9. Develop at Geneva

### **Safety Features + Amenities**

10. Signal at Snow Hill Road crossing in Chuluota
11. Enhance crossing at SR 46
12. Enhance crossings in Geneva and Chuluota
