

# COUNTRY CLUB HEIGHTS UTILITIES IMPROVEMENT PROJECT

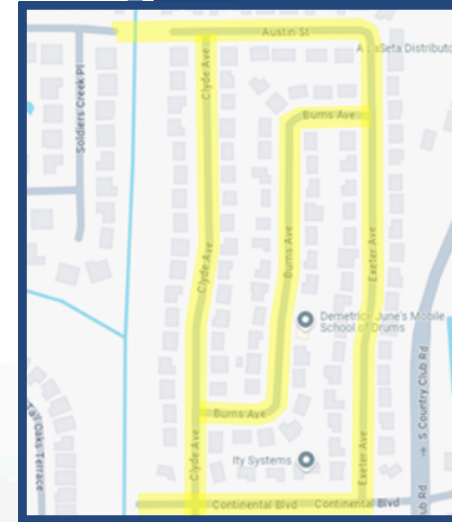

## Community Update: May 28, 2024

Dear Property Owners and Residents of Country Club Heights,

We appreciate your continued patience as we work through the Country Club Heights Utilities Improvement Project.

We understand the disruptions caused by the project and deeply regret the inconvenience this has caused. The County will be moving in a different direction and residents can expect the contractor to permanently exit the community. Please be assured that we are taking the necessary actions to address the issues and to ensure the project is completed to the highest standards.

We are committed to maintaining proper standards during this transition and will keep you informed as new developments occur. Please don't hesitate to reach out with any questions to Community Project Liaison, Leann Wishah, via email at [CCH-Utilities-Project@seminolecountyfl.gov](mailto:CCH-Utilities-Project@seminolecountyfl.gov) or by phone at (352) 432-8179.
